

# AI for Educators & EdTech

Taught by someone who builds and teaches AI, so the guidance comes from practice — where AI helps learning and where it harms it.

## WHO IT'S FOR

School and university teams, educators, and EdTech product teams.

## FORMAT

In-house workshop

## LENGTH

Half-day

## What your team walks away with

Use AI where it genuinely improves teaching and learning — and see clearly where it undermines them.

## Curriculum

- 01 Where AI helps teaching, learning and learning products
- 02 Academic integrity and assessment in an AI world
- 03 Accuracy, bias and age-appropriate use
- 04 Student data and privacy: clear rules
- 05 Building or buying AI learning tools responsibly
- 06 An AI-in-education usage guide

## You keep

An AI-in-education usage guide for staff and product teams.
