

AI for HR & People Teams

Practical AI for people teams, with bias, fairness and legal exposure kept front of mind on the decisions that affect real individuals.

WHO IT'S FOR

HR, talent, people-operations and L&D teams.

FORMAT

In-house workshop

LENGTH

Half-day

What your team walks away with

Use AI across hiring, performance and learning without importing bias or legal risk — and know which decisions AI should never make on its own.

Curriculum

- 01 Where AI genuinely helps people work — sourcing, screening, drafting, L&D
- 02 The decisions AI must not make alone: hiring, performance, exit
- 03 Bias and fairness: how AI imports it, and how to catch it
- 04 Candidate and employee data: what never goes into a chatbot
- 05 Explaining and defending an AI-assisted people decision
- 06 An AI usage policy and bias-check your team keeps

You keep

An AI-in-HR usage policy and a bias-check for people decisions.
